ABOUT US:

We are a team of professionals from **Tourism, Hospitality, Education, Adventure and Wellness industry**. We are connected to tourism industry for last 45 years dealing in inbound tourism.

We are now entering into domestic and outbound tourism and have planned most exclusive packages for every segment of society. They all have great value for your money and you can enjoy long term benefits with us. All our packages are most exclusive and as of date not a single entity in the market can compete with us. Our most exclusive discount segment offer great discounts on multiple segments good for the entire family.

Apart from a wonderful multidimensional package we are creating well designed income opportunities. In fact, we wish to create a very large family through all these packages so that we can design endless ideas to extend continued benefits to our family members.

ROLE OF SUPER HELPING HANDS:

IBS Trio is the brainchild of our team of professionals coming from multiple business segments. The sole purpose of this concept is to uplift the living standard of a common man in the society. We are aware that the present market scenario has become a big burden especially for the middle class segment of our society. Jobs are not available in the market and the business opportunities are very risky and require huge amount of finance to meet the basic demand.

People are ready to work hard to live a comfortable life but the financial strain holds them back to achieve their targets. IBS Trio is a well designed triangle comprising of the company, you and the unlimited opportunities.

We have designed this theme allowing maximum benefits to our associates. In fact, the company will manage its profit from 10%, services part will be handled by 40% and rest 50% will be the benefit of our associates. We have five themes to suit your budget. This theme is a lifetime opportunity and opens the door of prosperity for all and sundry.

We welcome you to avail this grand opportunity.
